TWENTY FOURTH SUNDAY IN ORDINARY TIME

FROM THE PASTOR

Catholic Bishops of the United States have designated the Third Sunday in September each year as Catechetical Sunday. This is to emphasize the teaching ministry of the Word, done by parish catechetical leaders and parish catechists.

Today is **CATECHETICAL SUNDAY** in the Catholic Church of the United States. The theme this year is: **"LIVING AS MISSIONARY DISCIPLES."** A missionary is one who goes out to proclaim the Good News, sometimes to people who have never heard of Jesus. Our parish catechists, under the direction of our **DRE, NANCY CAPUTO**, not just teach the Good News but reflect the Good News in their lives to our children, youth and adults. While each catechist may resound the faith differently, together they help us all experience the presence of Jesus Christ in our lives.

While the catechists may formally teach the Good News, each of us has a responsibility to also proclaim the Good News by the way we live our lives. This happens by virtue of our baptism, as we are all given the responsibility to reflect the presence of Jesus to the people we meet each day. We may not think of ourselves as catechists, but once we listen to and are formed by the Word, then we must be able to let others know what we know and believe, that Jesus is Messiah and Lord, Son of the Living God. This isn't done in pulpits or on street corners but in the encounters and interactions we have with one another.

The letter in today's bulletin from Cardinal Tobin emphasizes the seriousness of this responsibility for us all, especially parents. Today's Gospel reflects an important aspect of being a disciple of Jesus, the ability to forgive each other. Some of us have a difficult time with this, yet if we are not able to forgive each other, then the message of the Gospel hasn't really touched and converted us to the way of the Lord. **WWJD**

During the course of the last two weeks, we have seen two major hurricanes strike Texas, Florida, and countries in the Caribbean, as well as an earthquake in Mexico. The destruction of these events has left people without homes and whole areas devastated. It is incredible the amount of devastation and how peoples' lives are radically changed. No matter who they are or where they live, they are our brothers and sisters. It is also incredible how people help one another, even if they are complete strangers. The human heart is much more powerful than any storm!

There is a story of a woman who went to buy a generator so that her father who was on medical equipment would be able to continue on it when they lost power. When she arrived at the store, she discovered that the last generator had been bought and she didn't know what she would do. A man, a total stranger, gave her the one he had purchased after the brief encounter she had with him. Needless to say, she was overwhelmed and extremely grateful. People helping people. Isn't that what Jesus taught us?

HAPPY CATECHETICAL SUNDAY!!!

RELIGIOUS EDUCATION NEWS

Mrs. Nancy Caputo, Director

Welcome back! Today is Catechetical Sunday and we hope that you will join us at the 12:00PM Mass as our Religious Education Catechists and Parish School Teachers will be Blessed and Commissioned!

It is so nice to welcome the Kindergarteners and 1st Graders into the program.

Class placements and calendar information have been emailed to all registered families; if for some reason you did not receive any of our emails, please call or email the office. Please be sure to mark your family calendars with all of the important dates.

As you know, it takes many volunteers to help prepare our children to receive the Sacraments and connect our Catholic teachings to their everyday lives. Please consider volunteering! We always need teachers, substitutes, classroom aides and hallway help/monitors on each floor to assist students during class time. If you feel that tug in your heart…. That's the Holy Spirit calling you to this ministry ~ please give us a call or email us!

We also need a few more facilitators (no lesson plans!) for our Tuesday evening 8th grade group—they meet approximately 2x's a month. Please contact Mrs. Gesualdo if you are able to help!

Important upcoming dates:

PARISH SCHOOL NEWS

Mrs. Caroline Ponterio, Principal

LEARNING LIKE CHAMPIONS, PRAYING LIKE CHAMPIONS, LIVING LIKE CHAMPIONS!

The entire Saint James school community remembered the 16th anniversary of September 11 in many ways last week. The school flag was lowered to half-staff. Students gathered in Hatcher Hall at the start of the day for a prayer service led by the 8th graders. At 8:46 AM, an 8th grader walked the length of the school hallways of each of the three floors ringing a bell which concluded with a moment of silence. Teachers took the opportunity to have appropriate class discussion about the events of 9/11. May we never forget.

In honor of PATRIOT DAY, students were invited to participate in a dress down and wear red, white and/or blue. The funds raised will be used to support those affected by Hurricane Harvey and Hurricane Irma through Catholic Charities and the NCEA Student-to-Student initiative (NCEA is the National Catholic Educational Association.)

The faculty, staff and students celebrated the Opening of School Mass on Tuesday at 9:00 AM in the church. The responsibility for planning and carrying out important details of the Mass were handled by our eighth graders. Under Mrs. Tupper's direction, they served as greeters, lectors, altar servers and gift bearers. At the end of Mass, Bibles were blessed by Father Joe and distributed to our 6th graders. This is a wonderful tradition at Saint James and its meaning is significant for the students. They continue to learn how to use the Bible to delve into Scripture as part of their faith formation, but now with their own copy to treasure. We are always grateful for Father Joe's support of our parish school and for leading this liturgy of welcome and encouragement for students, faculty, staff and parents. Throughout the school year, students will gather for Mass in the church. The student Mass schedule can be found on the school's website, and on these days we ask our students in Grades K-8 to wear their full dress uniform.

Speaking of Mass, this year, we invite the entire school community to attend Mass ***every third Sunday at 12:00 AM*** when the Children's Choir will be singing. The first Mass is this Sunday, September 17. We hope to see many of our families attending Mass together as a "school family". On this Catechetical Sunday, we thank all of our catechists for the important work they do to grow the knowledge of God in our children.

Some other upcoming dates to remember:

- 9/21 – 8th grade parent meeting @6:30 PM
- 9/21 – Back-to-School Night @7:00 PM

Archdiocese of Newark
OFFICE OF THE ARCHBISHOP

September 17, 2017

My dear sisters and brothers in Christ,

On one Sunday each year the Catholic Church in the United States focuses special attention on its teaching ministry. This year dioceses across the country will mark Catechetical Sunday 2017 on September 17th, using the theme established by the United States Conference of Catholic Bishops: "**Living As Missionary Disciples**." The Archdiocese of Newark celebrates this theme in every parish as we commission the faithful who serve as catechists in faith formation programs, Catholic schools, youth ministry, adult catechetical programs and in the Rite of Christian Initiation of Adults. At the same time, we should recall that the mission of catechesis, that is, living as missionary disciples and helping others to do the same – belongs to all of us. Every baptized person shares in the call to proclaim the Gospel by the way we live and the choices we make. The catechetical mission is given in an extraordinary fashion to parents, who are the first educators of their children in the faith. Through its faith formation program, each parish must support the family in their crucial responsibility.

The Bishops of this country propose that we consider a very powerful theme this year: "**Living as Missionary Disciples**." To be a disciple implies a relationship with the Master with whom we live as apprentices in faith, learning by living the words of Jesus and sharing in his mission. We stand beside the apostles and hear the words of the risen Lord, "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you…" (Mt. 28:19-20a). Jesus commissions us to draw others into intimate communion with him. Thus, the purpose of catechesis is to lead us ever closer to Jesus through a deeper understanding of Him and His teaching, illuminating our vocation as Catholic Christians to "live as missionary disciples."

As your Archbishop, I join all the faithful in grateful recognition of our brothers and sisters who offer such incredibly generous service as catechists and parish catechetical leaders as well as Catholic schoolteachers and administrators. Let us together offer them our support and our prayers.

May God bless you abundantly as you take up your mission as catechists of God's people of the Church of Newark.

With every good wish, I remain

Sincerely yours in Christ the Redeemer,

Cardinal Joseph W. Tobin, C.Ss.R.
Archbishop of Newark

SHARING OUR FAITH

Get Involved and Get to Know Our Community

We would like to thank all the people who contributed to the Rosary garden. It is really a beautiful tribute to The Blessed Mother. We wanted everyone to experience a sense of ownership in the garden, so that you always feel a special presence there. Whether you purchased a stone, donated money or just prayed for us. We appreciated all gifts.

Special thanks to Anthony Battaglia who donated not only his time but also his men's time, labor and materials to make this garden so special. We had a vision and Anthony made it happen. The men spent all day getting this area ready for the Rosary. I would also like to thank Robert Boettcher for donating his time and materials as well as Carmine Santarella who donated the cross. There are special blessings that will come their way.

I never acknowledged Traci Burns who made the cross and the medallion that hangs on the wall inside the church, as part of the Rosary. When I asked Traci if she could make me a cross she said, "Do I want it with Jesus or without?" Priceless. I then called her a few days later and said I needed the medallion as well. You see how beautiful they both are. The Rosary is made of tissue paper flowers. Thanks to Elaine Kuczynski, who along with myself put that together. There are always people willing to pitch–in at the last moment. Thanks to you all.

The devotion to Our Lady of Fatima has been nothing short of amazing. People who were in the church that first night, I hope realized what happened. At 7:25pm we had about 15 people in the church who were going to pray the Rosary. I said we needed 70. At 7:35 every door of the church opened and in walked all the rest of the 70 people. I still get chills.

Thank you to Father Joe for allowing me to coordinate this, and thank you to all the faithful in the parish and friends who come to pray and honor The Blessed Mother. There are plenty of other opportunities to support us, please see the bulletin.

Feel free to spend some quiet time in the garden near the statue of Our Lady. Please bring your children too.
