FIFTH SUNDAY IN ORDINARY TIME

MESSAGE FROM THE PASTOR

Every so often, on a seemingly regular basis, the Pew Research Center does a survey of Americans on religion and its place in our lives. In a recent survey, the center conducted a survey of Americans who claim to be Christian. This survey doesn't differentiate if one is Catholic, Presbyterian and so forth. It was interested in knowing if one claimed to be Christian. What they found was not surprising. The survey indicated that the number of people in America claiming to be Christian has declined. Pew research has found that 65% of U.S. adults claiming to be Christian declined from 77% in 2009, to 65% in 2019. Of course, when broken down by age, those of us born before 1946, what they call the Silent Generation, make up the largest number, 84%. The figures for younger generations are: Boomers (born between 1946-1964) are at 76%; Generation X (born between 1965-1980) are at 67%; Millennials (born between 1981-1996) are at 49%. In 2009, regular worshipers (those who attend religious service monthly or more often) slightly outnumbered those who go occasionally or not at all. Today, those numbers are reversed: 45% attend at least monthly, and 54% attend only a few times a year. Those who "never" go, referred to as the "nones," have risen from 11% to 17%.

What this means is that as our church population ages, and eventually dies, there may not be as many to take our place. Not only will that have a negative effect on our worship, but also on all the other programs churches offer to their members. No matter what our parish or other congregations do, the numbers reflect a decline in worshipping attendees, but also in members of the parish. There are a number of couples getting married who have no religious ceremonies. They are married at these so called "destination weddings," which may or may not involve a clergy person. (Priests are not allowed to officiate at weddings that take place outside of a church, with very few exceptions). There are any number of parents in our parish, and every other parish, who bring their children for baptism, then not at all until First Communion, then again not at all until Confirmation, and then they are gone until the young person gets married. If you think this is only a problem in our parish, think again. It is happening across the board in all Catholic parishes.

The church is the Body of Christ, and as the Body, we are called to radiate and reflect the presence of Jesus for others. Like Jesus, all we can do is extend an invitation to, "come and see, come and hear, come and experience" the presence of Jesus not just in our worship, but in each of our lives.

Saint James the Apostle parish is a welcoming community, and as such, all are invited not just to worship with us but to be a part of the life of the parish. Each of us has to ask ourselves how inviting are we to others who may be looking for a church to be a part of. What kind of example do we set to bring others into the life of our parish? This is not just the role of priests and deacons. It is the responsibility of each of us by virtue of our baptism.

Here's another way to look at this. What would happen to our parish if there were no people to fill the pews each week? Cardinal Tobin has outlined six pillars of faith to continue the mission of Jesus not just in the diocese but also in our parishes. The Parish Staff and Pastoral Council are working to insure that the work of our parish continues to bring the Good News of Jesus to all who look to us as a sign of Jesus for them. But we need all of us to be involved as much as we can in the mission of the church.

Today's Gospel Meditation.....

Matthew 5:13-16

Jesus used ordinary images, such as salt and light, to convey extraordinary truths that transform our minds, hearts, and lives. What does salt and light have to teach us about God and the transforming power of his kingdom? Salt was a valuable commodity in the ancient world. People traded with it, like we trade with valuable goods, such as gold and stock. Salt also served a very useful purpose, especially in warmer climates before the invention of electricity and refrigeration. Salt not only gave rich flavor to food, it also preserved food from going bad and being spoiled.

Jesus used the image of a lamp to describe how his disciples are to live in the light of his truth and love. Just as natural light illumines the darkness and enables one to see visually, so the light of Christ shines in the hearts of believers and enables us to see the heavenly reality of God's kingdom. Our mission is to be *light-bearers* of Jesus Christ so that others may see the truth of the gospel and be freed from the blindness of sin and deception.

There is great freedom and joy for those who live in the light of God's truth and goodness. Do you know the joy and freedom of living in God's light?

"Lord Jesus, you guide me by the light of your saving truth. Fill my heart and mind with your light and truth and free me from the blindness of sin and deception that I may see your ways clearly and understand your will for my life. May I radiate your light and truth to others in word and deed."

Congratulations to the children who received the Sacrament of Reconciliation for the first time yesterday! We ask for your continued prayers that the children grow in their understanding of this healing sacrament and seek it often.

We are excited to announce that our parish will offer a new Family Faith Program in September as an alternative to classroom lessons. We will continue to offer the "traditional learning" model, but our hope is that families will embrace this new approach to discovering Christ. This is a great way to connect our Catholic faith to our daily lives. ***If you are a new parent, seasoned parent or grandparent and are interested in being a part of our focus group, we welcome your participation! Learn. Serve. Lead. Succeed.

Catholic Schools Week was a huge success!

The week kicked off on Sunday as the school community gathered for the opening of Catholic Schools Week at the 10:30 Mass followed by an Open House. Our students were altar servers, lectors and choristers and they did a wonderful job. Thank you, Emily L., Evangelina, Nicholas (Class of 2018), Ethan S., Daniel, Magdalene, Dominic, Rolando and Christian. Our 7th and 8th grade student ambassadors did a fine job offering tours of the school with prospective families. Our extracurricular and enrichment activity display showed current and prospective families the variety of offerings for students in all grades at Saint James.

We were grateful to Springfield Mayor, Chris Capodice, for attending Mass and presenting Mrs. Ponterio with a proclamation that proclaimed “the week of January 26 through February 1, 2020, as ‘CATHOLIC SCHOOLS WEEK’ in sincere tribute to accomplishments and high standards of Catholic education.”

Students made and/or donated close to 400 sandwiches that were delivered to St. Joseph’s Social Service Center in Elizabeth in time for lunch. 8th graders took a turn teaching Saint James students a lesson in science, math, or grammar. Every class had an opportunity to spend some quiet time with the Lord through Eucharistic adoration. One night students and their families dined out at Tiff’s Burger & Alehouse in Union with a percent of proceeds donated back to the school.

Other events included Breakfast Buddies where all students could invite two guests for breakfast, the Knights of Columbus Spelling Bee, Valentine card and flower making for the residents of Sunrise Assisted Living in Bridgewater, Living Biography presentations by Grade 7, Skype calls with other Catholic schools in the Media Center, a schoolwide Go Noodle Glow Dance, and Mass led by our 3rd graders.

The school hallways and stairwells are adorned with photographs of every student reflecting on what they learn, how they serve, how they lead and when they’ve succeeded. You’ll see classroom doors featuring individuals or organizations that are examples of the Catholic Schools Week theme “Learn. Serve. Lead. Succeed.”

This theme encompasses the core products and values that can be found at Saint James the Apostle School and in Catholic schools across the country. We teach students to become future servant leaders, faith-filled disciples and enriched citizens in our communities.

PARISH INFORMATION

Keeping in Touch With One Another

To All Our Families and Friends,

Believe it or not, we are rapidly approaching the Season of Lent! Yes, in 2 ½ weeks, it will be Ash Wednesday and the Easter Season will be upon us. As part of our ongoing faith formation, we are providing a weekly reflection to assist in the preparation and prayerful involvement of this Lenten journey, under the title of ***“Family Faith Formation”***. Each week we will address a specific spiritual reflection which will further develop our relationship with Christ. According to Vinita Hampton Wright, author of ***Small, Simple, Ways***, from which many of these reflections are taken, **“It’s important to remember that our formation is not about being perfect right now, but about growth in small increments”**.

Praying for your journey, most especially that you always feel the peace of God within your heart.

Karen M. Cocco, Ph.D.

Let’s start with compassion – for ourselves & others. Through practicing compassion, it becomes a virtue in us. A simple way to practice, as you go through your day, for all the people you meet, even strangers ask, “What challenge is that person dealing with?” *Then offer this simple prayer: Lord, help that person with all of their challenges & struggles*. Don’t forget to lift your own challenges up to God! Have a blessed week!

2nd Collection February 8/9, 2020 Lenten Almsgiving

The foundational call of Christians to charity is a frequent theme of the Gospels. During Lent, we are asked to focus more intently on "almsgiving," which means donating money or goods to the poor and performing other acts of charity. As one of the three pillars of Lenten practice, almsgiving is "a witness to fraternal charity" and "a work of justice pleasing to God."

PASTORAL COUNCIL NEWS

We are very excited to announce that beginning Sunday, February 16th, Saint James will be inaugurating a monthly Family Mass! These masses will correspond with the schedule of the Children's Choir, at the 12:00PM Masses.

The dates are as follows:

February 16th, March 15th, April 26th and May 24th

A child learns mostly by doing. They also learn by watching what their parents do. When you attend church as a family you are sending a very concrete and strong message to your child about who they are and who their family is. When we bring our children to mass, we are bringing them to Jesus.

Jesus said, *"Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these."*

Spotlight on Faith

Archdiocesan Center, Newark

Saturday, February 22, 2020

9:30AM to 3:30PM

The six SPOTLIGHT courses rotate through a number of parish centers in various parts of the Archdiocese. Courses are offered in two series, one in the fall and one in the spring, with an occasional winter offering.

Participants at a single location can take the entire six course sequence over a three year period. These courses are of general interest to all who might want to learn more about the Catholic faith. They may be of particular interest to parents or those active in parish activities.

Catechists can also fulfill the requirements for doctrinal certification by completing all six SPOTLIGHT courses. Doctrinal certification is important for catechists who work with adults in RCIA, Bible study, small faith sharing communities and other forms of adult faith formation, those who work with children in parish religious education programs and teachers in Catholic elementary schools.

Please contact your parish Religious Education Office for additional information and registration questions.

THE PRAYER CORNER

"To everything there is a season and a time for every purpose..."

INTENTIONS FOR THE SICK

At the *General Intercessions* we pray for the sick. Our prayers for the sick are very important, especially in critical times of sudden illness, surgery or worsening condition. We will continue to pray for and mention the names of the sick. When the condition improves, please call the Rectory so that the name can be removed from the list.

HOSPITAL VISITATIONS

If you or someone you know is in the hospital, please inform the hospital staff that you are Catholic and a member of Saint James the Apostle Church. Saint James will be notified and arrangements will be made for a priest or deacon to visit you. Please be sure to include the hospital information. Contact the Rectory to have a name added to the prayer list at Mass and/or to the Prayer Line.

RECEIVING COMMUNION

It is good to remind ourselves of the reverence needed when we receive the Body and Blood of Christ. When we approach the altar, if receiving on the hand, please remove any gloves beforehand. Remember to bow slightly without being ostentatious and reply "Amen".
If communion runs out, please wait in line for the Minister to return.

COMMUNION AT MASS

If you cannot walk up the aisle to receive Holy Communion and do not want to sit in the first pew, please let one of the ushers know and an Extraordinary Minister of Holy Communion will come to you at the end of the procession and administer the Body & Blood to you.

Please join us for an hour on Monday evenings in the church for Novena
