*Rest in the Peace of Christ*

To know and to encounter Jesus Christ is to know God personally. In the encounter of the wise men with Jesus we see the plan of God to give his only Son as King and Savior, not just for the Jewish people but for all the nations as well. The Lord Jesus came that both Jew and Gentile might find true and lasting peace with God. Let us pray today that Jew and Gentile alike will find the Lord and Savior on their journey of life. Do you bring the light of Jesus Christ to those you meet through the witness of your life and testimony?

# THE PASTOR'S LETTER

*Father John Gabriel*

*Dear Parish Family,*

In many countries, today's Feast of the Epiphany is a celebration that equals or even surpasses the festivities of Christmas itself. Today we reflect on the manifestation of the Son of God in the flesh. From the view of our secular world, Christmas is over. The decorations are done and the stores are moving on to Valentine's Day and beyond. But it is not that way with us. We continue to bask in the light of the Christ-child and celebrate the joy of this season all the way through next Sunday, The Feast of the Baptism of the Lord. How important that we do not hasten away from Christmas too quickly. The Incarnation speaks of God's unconditional love for us and his burning desire that each of us is changed by the living encounter with his Son, Jesus Christ. "For God so loved the world that he sent his only Son, so that everyone who believes in him, might not perish but might have eternal life." (John 3:16). The shining star reminds us of that gift of God's saving love, a gift intended for each and every person in every part of our world. What a magnificent gift to behold but one that invites our response, a response of obedience to God's word, a response of faith, a response of selfless love for God and neighbor. The light of this season will continue to shine in the darkness of our hearts and break through the night that so often surrounds us because of human sin and evil. The Epiphany reminds us of God's awesome gift of love, the gift of himself in and through his Son, Jesus Christ, the gift that if received will transform us more and more into the person God intends us to be. We look forward with faith and hope to all that God has in store for us and for our parish family in this New Year. The Church invites us to reflect this year on two special themes: Pope Francis has declared this year the *Year of Consecrated Life*, and this year Pope Francis will visit the United States for the *World Meeting of Families* this coming September. These two topics, vocations and families, will occupy much of our thoughts and prayers this year. May we approach them in faith and hope!

Some of you may remember that when I came to St. James I began meeting with groups of parishioners in neighborhoods at the homes of those who were willing to host a neighborhood gathering. I would like to continue with those meetings, and I've asked the Pastoral Council to help me arrange and organize them. So, if you would be willing to allow us to use your home to gather your Catholic neighbors (those who come to Church and those who don't) please let me know. We will send out invitations, provide refreshments, etc. Remember that it is not enough to have a welcoming parish; we need also to go out into our community to bring the Good News to others. Please remember that next weekend the women of our parish will be on retreat. It is not too late to join us for *"WinterLight: Finding God in All Things."* We hope that more women of our parish will come away for these days of peace, reflection and friendship. Contact the rectory to register, but hurry because soon it will be too late! Please keep the success of our retreat in your prayers!

*In His love,*

*~ Fr. John*

Talk on *Choosing Life* with the Sister for Life

Our parish just purchased a permanent Lighthouse Catholic Media kiosk where we'll be selling Catholic CDs, books and booklets. It is located in the gathering area and is self-service with a donation box.

### WEEK #3 ANGER AND FORGIVENESS

Catholic psychotherapist Deacon Dr. Bob McDonald provides a spiritual and psychological prescription for overcoming the sinful anger that poisons the mind of Christ within, causing alienation and division. His practical wisdom shows that only by learning how to forgive can we hope to promote healing and understanding in our relationships and enjoy the blessings of a forgiving heart.

### WEEK #4 THE HEALING POWER OF CONFESSION

Dr. Scott Hahn presents the historical and biblical origins of the Sacrament of Penance (Reconciliation). He provides an important guide for new Catholics, a source of renewal for "old hands", and a challenge to all of us to deepen our relationship with Christ through regular use of the Sacrament of Penance.

*We hope you enjoy and use this kiosk often!*

### INTENTIONS FOR THE SICK

At the "General Intercessions" we pray for the sick. Our prayers for the sick are very important, especially in critical times of sudden illness, surgery or worsening condition. We will continue to pray for and mention the names of our sick parishioners when we receive notice from the family or the individual asking for prayers. Their name will be mentioned for three weeks and after, the names will continue in the bulletin, until we receive notice otherwise. If the condition worsens we will mention the name again at Mass when notified.

It is good to remind ourselves of the reverence needed when we receive the Body and Blood of Christ. When we approach the altar, if receiving on the hand, please remove any gloves beforehand. **DANCING INTO THE NEW YEAR!**

*BY MRS. MARY MCELROY*

Our new Dance Club, under the able direction of School Advisory Board member, Mrs. Janet Cariello, wowed fellow students, families, and honored guests at our recent Christmas Pageant. Geared to students in sixth through eighth grades, these inaugural members: Zakilya, Natalie, Patricia, Kayla, Alba, Lauren, Brian, Rachelle, John, Adelina, Hanah, Daniella and Justine, added an extra element to our pageant, as they Rocked Around the Christmas Tree with great aplomb. In the first half of the year, Dance Club participants explored both traditional and contemporary dances. With the popularity of this club, Mrs. Cariello is looking forward to the next round of classes. Be sure to watch Panthers' Beat and the school website for more information as the New Year unfolds.

**WE WISH OUR PARISH FAMILY A VERY HAPPY AND HOLY NEW YEAR AS WE GO FORWARD INTO 2015.**

**SOMETHING TO THINK ABOUT**

**The Mass is not over until the priest has kissed the altar and leaves the Sanctuary.** We are very blessed to be involved with the celebration of the Mass. To receive the Body and Blood of Christ is the very foundation of our faith. It is sad to see so many people leaving early.

Isn't it time to honor and respect our Lord by giving Him our complete respect and devotion? If there is a concern about getting out of the parking lot, or picking up the Sunday paper along with the bagels and crême cheese, why not stay a few minutes more and thank God for all that He continues to do for us?

There are exceptions, when a legitimate event is pending, however, most of the time, it is fair to say that isn't the reason we leave early. Remember, Judas left the table early too? Something to think about.

## FEED MY PEOPLE

Coordinator
