TOUR OF ST. FRANCIS CABRINI SHRINE WITH GUIDED TOUR OF THE CLOISTERS WITH A PERFORMANCE OF THE CHRISTMAS STORY BY THE WAVERLY CONSORT

Since its opening in 1938, The Cloisters has become a treasured landmark, celebrated for both its extraordinary setting and its world-class collection of medieval art and architecture. The Cloisters is located in Fort Tryon Park in northern Manhattan.

The Christmas Story

Every holiday season, the Waverly Consort's thirteen-member ensemble, under the direction of Michael Jaffee, performs *The Christmas Story* at The Cloisters. This program—beloved since its premiere at The Metropolitan Museum of Art in 1980—includes vocal and instrumental hymns, processions, antiphons, and Mass compositions from the tenth to the fifteenth century arranged as a narrative. These compositions evoke the liturgical calendar for Advent and Christmastide and are rooted in music manuscripts and illuminated miniatures of the Middle Ages. Concert ticket prices include same-day admission to the Museum.. All tickets are general seating.
