REFLECTION ON THE READINGS

Life in a fallen world is full of crosses, no matter what. No one is an exception when it comes to suffering and struggling in life. But as Catholics, members of Christ's mystical body, we find meaning in these crosses, because we don't have to carry them alone - **Christ bears them with us.** We are the lucky ones, because we know that. But what about the people who don't

know it?

One of the most important activities we can engage in during Lent is **almsgiving - helping those in need.**

And one critical - and beautiful - way to do this is by helping others find meaning in their crosses.

We all know people who are suffering.

- They may be **suffering economically** - their marriage and family life stressed by financial pressures beyond their control.
- They may be **suffering physically** - their body and mind weakened or ravaged by disease, injury, or old age.
- They may be **suffering emotionally** - working through an experience of betrayal, infidelity, or loss.
- They may be **suffering existentially** - wondering why they are on the planet and where they can find a reason for living.

As Catholics, we experience those same forms of suffering, but we know what to do with them. **We bring them to Christ;** we grip our crucifixes; we offer them to the Father for the salvation of souls and the reparation of sins.

Friends, in the few remaining weeks of Lent, let's reach out and help lighten someone else's cross, just as Christ constantly helps lighten ours. Let's tell someone else about the one Cross that transforms all other crosses. Who knows, maybe by sharing the good news of God's love with others, we will come to believe it more deeply ourselves.

Fr. David C. Santos, Pastor

QUOTE OF THE WEEK

One truth stands firm. All that happens in world history rests on something spiritual. If the spiritual is strong, it creates world history. If it is weak, it suffers world history.

— Albert Schweitzer

SUNDAY READINGS

FIRST READING

Ezekiel 37:12-14

O my people!

I will put my spirit in you that you may live, and I will settle you upon your land; thus you shall know that I am the LORD. I have promised, and I will do it, says the LORD.

RESPONSORIAL PSALM

Psalm 130

With the Lord there is mercy and fullness of redemption

SECOND READING

Romans 8:8-11

But if Christ is in you, although the body is dead because of sin, the spirit is alive because of righteousness. If the Spirit of the one who raised Jesus from the dead dwells in you, the one who raised Christ from the dead will give life to your mortal bodies also, through his Spirit dwelling in you.

GOSPEL

John 11:1-45

And Jesus raised his eyes and said, "Father, I thank you for hearing me. I know that you always hear me; but because of the crowd here I have said this, that they may believe that you sent me." And when he had said this, He cried out in a loud voice, "Lazarus, come out!" The dead man came out, tied hand and foot with burial bands, and his face was wrapped in a cloth. So Jesus said to them, "Untie him and let him go."

Now many of the Jews who had come to Mary and seen what he had done began to believe in him.

Mental Health & Well-Being Ministry

Prayer for Those Suffering Mental Illness

Loving God, we pray today and in this season of Lent for those who are confronted by the sadness, ambiguity, and confusion of mental illness, and for those upon whom they depend for attention and compassionate care. Look with mercy on all whose afflictions bring them weakness, distress, confusion, or isolation. Provide for them homes of dignity and peace; give to them understanding helpers and the willingness to accept help. We ask this in the name of Jesus Christ our Lord. Amen.

St. James Prayer-Line Ministry

UPDATE ON CAMPUS REDEVELOPMENT: FEBRUARY 2024

I am happy to report that much has been happening behind the scenes to achieve the established objectives set by the Campus Redevelopment Committee. As a reminder the established objectives that any sale of the property must meet are to:

- Produce an end use for the property that would be in synergy with the mission of the parish community.
- Provide a means for the parish to extinguish the parish debt to the Archdiocese.
- Provide an on-going revenue stream for the parish.
- Assist in building a new parish center and replacement of the rectory (in conjunction with funds from a parish capital campaign).

Listed below are bullet points of some of the many things that have been accomplished to date behind the scenes. I urge you to take the time to read them since they will answer some of your immediate questions.

1. Agreement Established for the Sale of the School/Convent Property

An agreement has been reached between St. James the Apostle Church and The Winston School of Short Hills for the sale of a portion of St. James property that includes the school and the former convent. The Winston School is a private special education school for children grades 1-8. Their intended plans are to renovate the existing school building and to raze the former convent building for use as recreational space and parking.

2. Parish Capital Campaign

Over the summer of 2022 a capital campaign feasibility study was conducted to determine the parish's potential giving capacity and to test the Capital Campaign Case Statement (i.e. construction of a new parish center). The result of the feasibility study, which was presented to the parish in the fall of 2022, reflected a positive giving capacity and a substantial and enthusiastic support among respondents for the case statement. Our goal is to launch a capital campaign in the very near future with the goal of constructing a new parish center.

3. The Proposed Plans for the new Parish Center

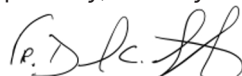

Our Architect has been updating the plans for the new parish center now that its exact location has been defined based on the property subdivision line. Besides event space on the main floor with a kitchen and parish office space being defined, plans for the second floor for optional classroom space as well as potential classroom space on the lower level plus a food pantry location have been defined. Additionally, the plan includes the creation of an open air plaza which will be located in the space between the church and the new parish center. Our engineer has moved forward with the site work and water drainage design that is required as part of the subdivision approval.

4. Approval from the Archdiocese of Newark

The sale of the property and initiation of a capital campaign to construct the Parish Center require obtaining the approval from the Archdiocese of Newark. There are numerous steps involved with this process. We've presented the information of the potential sale of the property, the proposed parish center, cashflow projections, and the details and tentative timeline for a parish capital campaign to the requisite archdiocesan boards and officials. This approval has been obtained subject to a perfunctory approval needed from the Vatican that is currently in process.

Please know that from the onset of the campus redevelopment project, we have actively engaged and collaborated with local and archdiocesan officials to ensure due diligence and responsible and realistic planning. I can say confidently that we have explored all reasonable and available options for achieving our goals (listed above). Given the scope of this project and its lasting impact, it is incumbent on me to discern and develop, with the assistance of committed and skillful parish lay leaders, a vision for the parish that not only meets our present needs but also sets a trajectory for the successful future state of our parish. We are nearly at the point where we can more clearly convey and share that vision at a scheduled Parish Town Hall meeting. My goal is to schedule two Town Hall meetings (a weekday evening and a Sunday afternoon) that will also be a time to answer questions about the proposed vision for our St. James community going forward. I expect to announce the dates of the two Town Hall meetings in the coming weeks.

Friends, a lot of work has been done, and still more is expected. It has been and will continue to be a privileged labor-of-love for me and all the lay leaders who have been involved in this project. Thank you for your confidence and thank you for your support, but most especially, thank you for your continued prayers!
