## PASTOR'S COLUMN

### UPDATE ON THE CAMPUS REDEVELOPMENT November 2023

The goal to determine the most beneficial use and disposition of the school and convent property while meeting the established objectives set by the Campus Redevelopment Committee has to-date been an arduous task. As a reminder, the established objectives that any sale of the property must meet are to:

- Produce an end use for the property that would be in synergy with the mission of the parish community.
- Provide a means for the parish to extinguish the parish debt to the Archdiocese.
- Provide an on-going revenue stream for the parish.
- Assist in building a new parish center and replacement of the rectory (in conjunction with funds from a parish capital campaign).

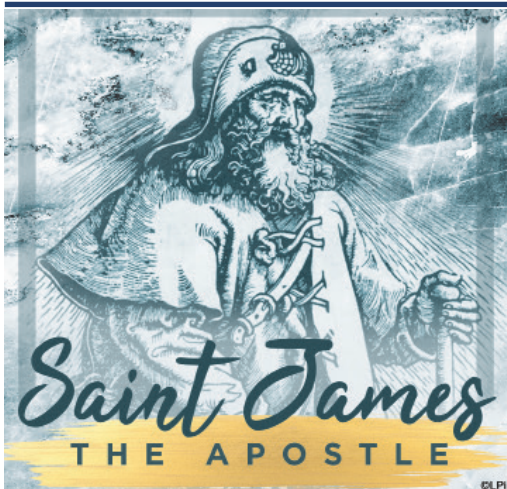

The last update provided to the parish conveyed that an RFP (Request for Proposal) had been developed, in coordination with the Archdioceses, that invited submissions of purchase offers for the property in conjunction with a planned subdivision of the property to be purchased. Six (6) proposals were received from interested parties. Of the six (6) proposals, five (5) proposed the construction of market rate apartments or senior citizen housing. The sixth (6th) proposal was submitted from a private school who educates students who, though intellectually capable, have had difficulties in school typically due to language-based learning differences. The private school intends to refurbish the school building, raze the convent and improve the surrounding property for their planned purpose of continuing to utilize as an educational facility.

Over the summer months, the evaluation process by all the interested parties as to what potentially could be built or established on the property was severely affected by the State of New Jersey's newly published stormwater management regulations. In short, these regs require all new projects to account for a higher rainfall intensity that will increase flood elevations and amend groundwater discharge standards. All this evaluation has taken time, amended estimates and revised plans. As of today, the private school has shown the greatest interest in purchasing the property and discussions have moved forward with them. A Letter of Intent was offered by the school and terms for purchase are still being negotiated to assure they meet the parish's objectives.

With the guidance of the Holy Spirit, we believe we are very close to finalizing an agreement. We will continue to report on how these discussions proceed in the weeks ahead and we ask for your continued prayers and support as we look to complete this phase of the redevelopment process and move forward with the next. Once concluded, it will set the stage to advance with the planning for the new Parish Center and the launch of a parish capital campaign which will be necessary to ensure that the parish meets its objectives.

Friends, your continued prayers are essential as we approach finalizing the deal. As I have stated in the past, my plan is to schedule a parish town-hall meeting at which time the plan for the campus redevelopment will be presented to parishioners.

Fr. David C. Santos

## SUNDAY READINGS

### FIRST READING Wisdom 6:12-16

For taking thought of wisdom is the perfection of prudence, and whoever for her sake keeps vigil shall quickly be free from care; because she makes her own rounds, seeking those worthy of her, and graciously appears to them in the ways, and meets them with all solicitude.

### RESPONSORIAL PSALM Psalm 63

My soul is thirsting for you,  
O Lord my God.

### SECOND READING 1 Thessalonians 4:13-18

We do not want you to be unaware, brothers and sisters, about those who have fallen asleep, so that you may not grieve like the rest, who have no hope. For if we believe that Jesus died and rose, so too will God, through Jesus, bring with him those who have fallen asleep.

### GOSPEL Matthew 25:1-13

Jesus told his disciples this parable: "The kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. Five of them were foolish and five were wise. The foolish ones, when taking their lamps, brought no oil with them, but the wise brought flasks of oil with their lamps.

Parishioners 18 years of age and older are invited to become an EMHC. Those interested must attend a Protecting God's Children workshop as well as the required training and be commissioned by the Archdiocese of Newark before participating in this ministry. There is an E.M. training currently scheduled for **Saturday, November 18, 2023 from 8:45am-12:30pm at the Archdiocesan Pastoral Center (171 Clifton Ave, Newark).**

## DID YOU KNOW?

### Why do Catholics go to confession?

Jesus entered this world to forgive sins. Jesus called the sinner to realize the sin, to repent of it, and to be reconciled with God and neighbor. We tell our sins to priests who have the authority to administer His forgiveness so we as sinners can reconcile with God and the Church. The sacrament "washes is clean."

Saint James the Apostle Church offers an opportunity to come together in a small group to learn more about our faith. Sessions focus on the teachings and experience of Church and prepare individuals to celebrate the Sacraments of Baptism, Confirmation, and Eucharist during the Easter season. Parish Finance Council

## FINANCE COUNCIL CORNER

The Finance Council would like to say **THANK YOU** for your continued generosity and support of our parish. Your gifts of time, talent and treasure have enabled the parish to report a surplus from operations for the fiscal year ended June 30, 2023, which enables the parish to continue to do the great work that we are doing here in fulfilling our mission and service to the community. See the 2023 State of the Parish Report. Below are some highlights:

- Increase in collections and support of fundraising activities, average weekly collections up 5%
- Decrease in salaries and benefits expenses
- Increase in insurance and utilities costs
- Completed various repairs and maintenance to the church, rectory and campus grounds
- Increase in registered families and average attendance at mass

The Finance Council continues to work closely with Father David to be good stewards of our parish's financial resources in faithfulness to our Parish vision and mission. Each of us is called on to share our gifts and talents with each other and the community. May we continue to grow together in faith and service.
