NEWS and UPDATES

PARISH FESTIVAL COMMITTEE and VOLUNTEERS - THANK YOU!!!

I am very pleased to announce another successful year for the annual parish festival! Thank you, Lord, for five beautiful, safe, and energetic days at this year's festival.

While the annual festival is a major fundraiser for the parish, it is also a major community building event. Swarms of parishioners and guests from both near and far joined in on the rides and games, and the fun and food this year. Seeing parents with little children in strollers, young kids playing games, couples dancing to live music, and groups of families and friends enjoying the delicious festival food was a beautiful site to see.

Thank you to the army of **volunteers** for your incredible work. There is simply no way the festival could have been as successful as it was without your involvement.

I would also like to name and thank, on behalf of the entire St. James parish community, the members of the **festival committee**:

John O'Reilly, Chairperson of the Festival Committee

Vicki Sarracino, Vice-chairperson

Janet Dellasala, Sponsors and 50/50 Coordinator

Jimmy Guarino, Food Services Coordinator

Phil Hunrath, Treasurer

Antoinette Miller, Tin-Can Auction and Entertainment Coordinator

Bob Wright, Games and Rides Coordinator

A special shout-out to the spouses of the committee members for your support, time, and energy!

Finally, **THANK YOU!** to the **festival guests, sponsors, and generous benefactors!** Your financial support and material donations mean so much to us and have contributed to the success of this year's festival.

Dear Parishioners,

As we move into the final months of 2025, I continue to be filled with gratitude for the vibrant spirit and steadfast faith that define our parish community. Your prayers, generosity, and active participation are the heartbeat of St. James, and I'm pleased to share this encouraging update on our journey together.

Parish Campus Redevelopment Project

Since our Mid-Year Report (May 2025), we've reached two major milestones: Unanimous subdivision approval from the Township of Springfield and Vatican approval for the sale of the school and convent properties.

PASTOR'S COLUMN CONTINUED

These approvals mark a significant step forward in our vision for a renewed parish campus. A closing date for the property sale is forthcoming, and we remain hopeful and excited about the transformation ahead.

Parish Capital Campaign

Following the closing of the property sale, we will officially launch our Parish Capital Campaign. This campaign will begin with major gift solicitation visits led by me, your pastor. We will also unveil the latest design schematic for our new parish center—a space that will serve as a beacon of faith, fellowship, and service for generations to come.

We Are His Witnesses

This past June, the Archdiocese of Newark initiated a pastoral initiative titled **We Are His Witnesses**. This initiative calls on the entire Church to reimagine parish life, mission, and ministry in response to a changing world. As part of this initiative, we shared with you a snapshot of the results of the Disciple Maker Index Survey (DMI), which offered a positive and insightful view of our parish community. Looking ahead, two parish-wide sessions will be held here at St. James on **Tuesday, November 4th at 6pm** and **Thursday, November 6th at 6pm** in the church. These gatherings will give parishioners the opportunity to offer input as we discern how this pastoral plan may shape our parish and neighboring communities. Your voice matters, and I cannot overstate the importance of participating in these meetings.

Friends, our future is bright because we are rooted in hope, guided by faith, and inspired by the Gospel. Thank you for your continued support and dedication to our parish mission. May God bless you and your families abundantly.

In Christ's Peace,

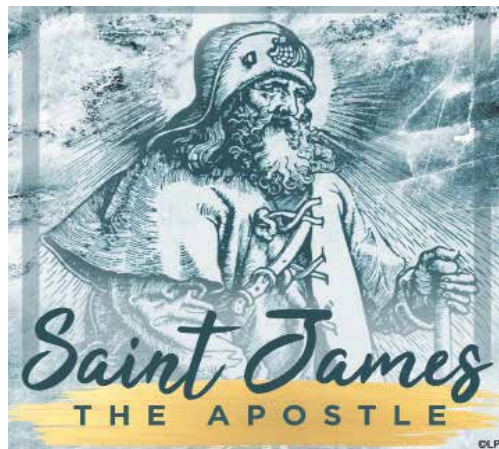

Rev. David C. Santos, Pastor

QUOTE OF THE WEEK

The rivers of Grace cannot flow uphill, up the steep cliff of the proud man's heart.

— *Saint Bernard of Clairvaux*

SUNDAY READINGS

FIRST READING

Sirach 35:12-14, 16-18

The LORD is a God of justice, who knows no favorites. Though not unduly partial toward the weak, yet he hears the cry of the oppressed. The Lord is not deaf to the wail of the orphan, nor to the widow when she pours out her complaint. The one who serves God willingly is heard; his petition reaches the heavens.

RESPONSORIAL PSALM

Psalm 34

The Lord hears the cry of the poor.

SECOND READING

2 Timothy 4:6-8, 16-18

But the Lord stood by me and gave me strength, so that through me the proclamation might be completed and all the Gentiles might hear it. And I was rescued from the lion's mouth. The Lord will rescue me from every evil threat and will bring me safe to his heavenly kingdom. To him be glory forever and ever. Amen.

GOSPEL

Luke 18:9-14

"But the tax collector stood off at a distance and would not even raise his eyes to heaven but beat his breast and prayed, 'O God, be merciful to me a sinner.' I tell you, the latter went home justified, not the former; for whoever exalts himself will be humbled, and the one who humbles himself will be exalted."

HOLY WHYS: DEACON HUGH REPLIES

Dear Deacon Hugh:

Help me make sense of something. We seem to celebrate saints' feast days every day of the year. If every saint has a designated feast day, why do we need an All Saints Day?

N.W.

Dear N.W.:

You really made me dig deep through the Vatican vault for the answer to your question. Here's what I uncovered, dusted off, and stitched back together. It started with All Saints Day. In the year 837, Pope Gregory IV designated November 1 as All Saints Day, a holy day of obligation celebrating the works of all saints throughout history, even those saints whose names or works are lost to history. He made it part of a three-day triduum dedicated to remembering the dead, beginning with Halloween (October 31), followed by All Saints' Day (November 1) and finishing with All Souls' Day (November 2). Some authors believe the roots for the All Saints Day go back earlier when some churches set aside a day for the remembrance of martyrs.

There are, however, more saints than days of the year. The tradition of honoring particular saints on each day of the year started in 1568, when Pope Pius V introduced a special calendar for the Church. He created the General Roman Calendar to organize all the feast days and holy days that had accumulated over centuries. Later, this calendar was updated by Pope Pius XII (who died in 1958) and Pope St. John XXIII (who died in 1963), making sure that it stayed current and reflected changes within the Church.

In other words, saint of the day helped focus on us on a particular saint while All Saints Day celebrated all of them.

Thank you for your question.
Deacon Hugh

FINANCE
Parish Finance Council

FINANCE COUNCIL CORNER 2025 State of the Parish Report

The Finance Council would like to say **THANK YOU** for your continued generosity and support of our parish. Your gifts of time, talent and treasure have enabled the parish to continue to:

- meet the fiscal needs of a growing parish;
- complete needed repairs within the parish campus;
- fulfill our parish commitments to the Archdiocese and reduce our debt;
- reach our Annual Appeal Stretch Goal, resulting in the parish receiving a \$24k rebate and \$13k savings in assessment expense; and
- expand the great work that we are doing in carrying out our mission of spreading God's word and offering service to the community.

After all this, through June 30, 2025, our parish recognized a \$77k surplus from operations. We see many positive trends and consistent growth over the last few years. See the 2025 State of the Parish Report distributed after mass the weekend of Oct 18/19. Below are some highlights:

- Increase in all collections, both in pew and via online, weekly collections up 10%;
- Increase in salaries and benefits expenses;
- Increase in insurance costs;
- Completed various repairs to the church, rectory and campus grounds, much of which were covered by grants as well as parishioner donations;
- Keeping current with financial obligations and addressing old legacy debt; and an
- Increase in registered families and participation in weekly Mass.

The Finance Council continues to work closely with Father David to assist with managing the Parish's finances in faithfulness to our Parish mission and vision. Each of us is called on to share our gifts and talents with each other and the community. May we continue to grow together in faith and service.
